
“ Peter and Trilby helped me understand what internet and social marketing tools were available, which ones best suited my project, and what kind of results to aim for. I now have a raft of tools to use, and a specific and thorough strategy with which to use them.”
Michael Bruce Adams

PETER D. MARSHALL

“I learned so much from your invaluable workshop last week. The material was well presented and in terms that was very easy to understand. I would highly recommend your workshops and marketing work to anyone interested in internet marketing. .” Ariadne Sawyer
